- Critical Thinking
- Communication
- Time Management
- Adaptable

# JASON RIVERS

---

INFORMATION TECHNOLOGY TECHNICIAN

---

## OBJECTIVE

Hello, my name is Jason Rivers. I'm a newly graduated IT and cybersecurity professional from ODU. My goal is to utilize my talents and learn more about both the fields of IT and cybersecurity, and establish a career in the field. I believe that experience is the best teacher so to reflect that, my goal is to find a position where I'm able to learn a multitude of skills, tools, and work alongside other individuals in the field. I hope to grow more confident in my IT-related abilities, develop my Cybersecurity knowledge, and one day transition to a career in IT auditing.

## WORK EXPERIENCE

---

### Wal-Mart

2017-PRESENT

Food/Consumable Sales & Customer Relations

- Assist customers with finding items throughout the store, and maintaining positive relations with them throughout interactions
- Work with a multitude of technologies to maintain item count, capture bins for shelf stocking, and assisted in many instances of solving technology related issues (VM containers, printer/scanner issues, BYOD/COPE devices, and network troubleshooting)

## EDUCATIONAL & PERSONAL DEVELOPMENT

---

### Educational Development

- Windows OS and Linux OS (Ubuntu, Kali Linux)
- TCP/IP Networking, Troubleshooting
- Tools: Nmap, Wireshark, Nessus, Metasploit, etc.
- Labs done in browser-based environments and on personal computer virtual machine (VM) environments

### Personal Development

- Cisco Packet Tracer and VMWare Experience used to help understand networking basics.
- Working towards Microsoft Azure (AZ-900) Certification
- Individual Research into ongoing Cybersecurity Trends
